

# Curriculum Consent

|                     |  |                   |  |
|---------------------|--|-------------------|--|
| <b>Child's Name</b> |  | <b>Year Group</b> |  |
|---------------------|--|-------------------|--|

## 1. Food in the curriculum

**A.** I agree my child may take part in any lessons involving handling, preparing and tasting foodstuffs.

Signed: ..... Date: .....

**OR**

**B.** My child has a known allergy and therefore will only be able to take part in lessons involving handling, preparing and tasting food stuffs provided the following precautions are taken:

Signed: ..... Date: .....

## 2. Educational Visits

During the year each class will organise various trips and visits to support the curriculum which involve coach travel. You will always be advised of these in advance, including the arrangements for the day and may be asked to contribute towards the cost. However it saves administration if your consent to such visits can be gained in advance:

**I give permission for my child to attend all visits arranged by the school provided I am given advance notice of the details of the event.**

Signed: ..... Date: .....

## 3. Local Visits on Foot

To support the curriculum, we may want to take your child out into the local area on foot. You are often advised of such events in advance but occasionally we may wish to take advantage of the weather or local circumstances and as such advance notice would not be possible.

**I give permission for my child to take part in local visits on foot.**
