Just £1 per day

The children will be offered cereal or toast, and a drink.

Children can arrive any time from 7:45am and enjoy a breakfast providing there's time to eat it before the school day begins!

Parents can drive onto the car park to drop their children off at the club providing it is no later than 8:20am (not after this for health and safety reasons).

'Shake and Wake' fun activities and games will be on offer to get the oxygen flowing ready for the school day!

An option to chill out on a bean bag with a book to read or be read to by an adult, or play board games etc.

A flexible system for payment through Parent Pay in advance or cash (exact only please) on the day with no pre booking necessary.
